In consideration of the granting of this permit the undersigned agrees to abide by all provisions of the Township Ordinances and regulations and also agrees to install and maintain the building sewer at no expense to the Township. The undersigned also agrees to notify the township inspector two (2) days in advance of construction. An inspection is required before any portion of the work is covered. The Township inspector is Evan Turner, from Village of Paw Paw, phone number is 269-657-3169. Installation and connection must be inspected and approved before backfilling. Opening in the sewer shall be kept closed to storm water and groundwater during construction.

Inspection fee: \$300.00

Connection fee: \$6000.00
