

Paperless Billing for Automatic Payments

If you are receiving this form, it is because you have automatic payments scheduled to pay your Sewer Bill to the Township. Some residents may have arranged for their bank to send a check to Paw Paw Township monthly or have signed up for ACH transactions. Because it is a scheduled payment, we would like to stop mailing your bill and instead email it to you, saving us a stamp. Please fill out the information below. Once completed, please drop it off to us at our office, 114 Gremps Street, during business hours: Mon-Wed 8:00-3:00, Thur 8:00-11:00. You may use the drop box at our front door at any time.
